**91 Inniskillin Vidal Gold Icewine 2003.** If you like your wines over-the-top sweet, this one's for you. Sticky and sweet, with powerful flavors of orange marmalade. Impressive... **WINE ENTHUSIAST**

**92 Inniskillin Riesling (silver) Icewine 2003.** Lovely ice wine, balancing orange-marmalade sweetness against zesty acidity. Not overly heavy, yet completely mouthfilling, with hints of apple and orange blossoms on the nose. **WINE ENTHUSIAST**

**94 Inniskillin Vidal (pearl) Icewine 2003.** Brilliant stuff... Flamboyant aromas of dried pineapple combine with fresh apricots and honey in this rich, unctuous wine that's incredibly sweet yet not cloying, thanks to vibrant acidity. **WINE ENTHUSIAST**

"I love these wines," says Andrea Immer, author of Great Tastes Made Simple. "They're a spark plug for the mouth." **TIME MAGAZINE**
