GREAT WINES

## THE INNISKILLIN ICEWINE MARTINI

A delicate mix of vodka with a touch of Inniskillin's VQA Oak-aged Vidal Icewine, the new Inniskillin Icewine Martini is stirred, not shaken, in order to create a crystal clear liquid with a hint of willow green.

Fill a shaker with ice.  
Add 3 oz. Premium Vodka  
1 oz. Inniskillin Oak-aged Vidal Icewine.

Stir gently then strain into a stemmed martini glass.  
Garnish with a frozen green grape.
