HARVEST

We harvested the grapes for the Jackson-Triggs 2005 Proprietors' Reserve Vidal Icewine December 14 through 21, 2005 at 38.8° Brix from select vineyards in the Niagara Peninsula.

WINEMAKING

The naturally frozen grapes for our Vidal Icewine were pressed at an average of 14°F thus enhancing the rich sweetness and concentrated aromatics of the varietal, and fermented in stainless steel to preserve the wine's vivid intensity.

WINEMAKER'S NOTES

Our 2004 Proprietors' Reserve Vidal Icewine displays intoxicating tropical aromas of papaya, mango and orange blossoms. Bold fruit flavors of apricot and nectarine, balanced with lively acidity, tantalize the palate and conclude with an exquisite silky finish.
